**RE: Tape Pricing Update**

Dear Valued Customer:

As we enter 2022, Wrap-Tite will continue to provide you with the same high quality products and excellent customer service that you have come to expect from us as your source for packaging, shipping and safety supplies. Unfortunately, the supply chain issues and material shortages from 2021 have carried over to this new year, and we have been forced to make adjustments in order to meet the high standards that you deserve.

In order to accommodate the resulting increases in operating costs, Wrap-Tite will enact the below **increase on tape products effective February 1<sup>st</sup>:**

Tape Product	% Increase
Hotmelt Tape	15%
Water-Activated Tape (WAT)	10%
Foil Tape	10%
Filament Tape	9%
Masking & Flat Back Tape	8%
Duct Tape	5%

Orders placed prior to the adjustment will be limited to a historical 30 days of supply.

Please visit us at [www.wraptite.com](http://www.wraptite.com) or reach out to your Sales Rep with any questions that you may have. We appreciate your business and support and look forward to growing together.

Sincerely,  
WT Management
