Dear Valued Stretch Film Customer,

The first of the two previously announced resin increases by our resin suppliers have been implemented effective immediately. Low inventories across the supplier base and strong demand both locally and globally has lead to the firming of the previously announced increase by our resin suppliers.

Wrap Tite is announcing **a 5% price increase on ALL stretch film products effective February 17th, 2020**. The second announced resin increase will be addressed later if necessary.

All orders must call for immediate delivery and be limited to less than one month's average purchase. We reserve the right to accept or decline orders for any reason.

Please contact your sales representative if you need any additional information.

Thanks for your continuing support.

Sincerely,

Sunil Daga
