Dear Valued Customer:

In an effort to keep up with the rising costs of raw materials, labor, and transportation, we have made the difficult decision to institute a price increase of 5% on a selection of our products.

With that in mind, effective **August 2<sup>nd</sup>, 2021**, Wrap-Tite will enact a **5% increase on printed & converted stretch film products, surface protection films and specialty tapes**. The complete list of items is included with this letter.

Orders placed prior to the adjustment will be limited to a historical 30 days of supply.

Please visit us at [www.wraptite.com](http://www.wraptite.com) or reach out to your Sales Rep with any questions that you may have. We thank you for your support and continued business.

Sincerely,

WT Management
