Friends,

Due to the current Covid-19 related situation- more and more people are doing online shopping/purchasing- resulting into a huge demand for all kinds of mailers.

Because of this WE as well as our suppliers are running short on certain sizes of mailers and hence we would like to limit the quantity that is being purchased by each customer. In the near future- all mailers other than metallic bubble mailers- will be sold at our \$ 2000 freight prepaid or 1 pallet delivered price for any quantity- that we are able to provide. (below are the current prices on all the mailers effective immediately)

We think this is a temporary situation till the situation returns to normal. We will be closely monitoring the situation and keep you posted with further developments as and when they happen.

We appreciate your understanding and if you have any questions, please reach out to your sales rep.

Please be safe and healthy.

Sincerely,
Sunil Daga
President
