RE: Industrial Channel Price Adjustments

Dear Valued Customer:

Due to the recent events of Hurricane Ida and the damage to production facilities, our suppliers have implemented a price increase on tape products. In order to accommodate these impacts on raw material pricing, lead times and supply chain costs, we have decided to implement the follow price increases, **effective October 1st, 2021:**

- Hotmelt Tape, increase of 5%
- Gummed Tape, increase of 5%
- Aisle Marking Tape, increase of 10%

Orders placed prior to the adjustment will be limited to a historical 30 days of supply.

Please visit us at www.wraptite.com or reach out to your Sales Rep with any questions that you may have. We appreciate your business and support and look forward to growing together.

Sincerely,

WT Management
