Friends,

With all the increases in the stretch film, Wraptite is pleased to announce the introduction of **"Shield Max" - Ultra hi-performance metric hand film** (pictured below)- made with best in class premium resins- engineered to give right balance of stiffness and puncture resistance- to replace conventional 65 ga film and above.

These provide **double digit savings** over the conventional film and are very aggressively priced against similar competitive products- and the best- **Aug. 3rd increase of 3% only** for our Shield Max line compared to 6% on all other products-

Our stocked product portfolio includes:

**Shield MaX - Ultra Hi Performance Hand Film**
