Dear Valued Customer:

Our resin suppliers have a previously announced increase nominated for May 1st, 2021. Supply issues at the resin manufacturers and heightened demand has solidified this increase. In addition we have had tremendous increases in all of our costs to produce stretch film that we supply to you.

Because of the above increases in costs, Wrap-Tite will enact a **6% increase on all stretch film products effective May 31st.**

Orders placed prior to the adjustment will be limited to a historical 30 days of supply.

Please visit us at www.wraptite.com or reach out to your Sales Rep with any questions that you may have. We appreciate your business and support and look forward to growing together.

Sincerely,

WT Management
