February 10th, 2021

Dear Valued Customers,

In addition to the December and January increases on resin, our resin suppliers have nominated another increase for February 1st. Increased logistics and feedstock cost, global and domestic supply disruptions and continued strong demand of plastic products are supporting this increase.

In response to this February resin increase, Wraptite will implement **a 6-8% increase on all stretch film products**, effective on all new orders placed on or **after March 8th, 2021**.

All orders must be received by 5:00pm EST on **Friday March 5th, 2021**. Any other order received after that time will be subjected to the above increased pricing. Orders placed prior to the adjustment will be limited to a historical 30 days of supply.

Please visit us at www.wraptite.com or reach out to your sales rep for any questions that you have on the above. We appreciate your business and support and look forward to growing together.

**Sincerely,
WT Management**
