**June 4, 2020**

**Friends,**

We hope this letter finds you safe and healthy during these unprecedented times. The past few months have been challenging for all of us and we appreciate all your support during these times.

As the economy is starting to settle to somewhat normalcy- we wanted to update you on the resin supply situation. Due to the earlier slowdown resin producers faced extreme supply chain challenges forcing them to cut down on production and tighten the supply with reduced inventory levels. Our resin suppliers have informed us that they are implementing the resin increase announced effective June 1st, 2020.

Due to this Wrap Tite will implement a price increase of 6% on all Stretch Film products. This increase will take effect with all orders placed on or after June 29th, 2020. WrapTite reserves the right to limit the size of orders to historical quantities to better serve the expected demand. All orders must call for immediate delivery.

We appreciate your business and support and look forward to growing together.

**Any questions, please reach out to your sales rep.**

**Sincerely,  
WT Management**
