Dear Distributor Partner,

Our resin suppliers have announced a resin price increase announced for Sept. 1st, which is in addition to previously implemented increases in June, July, and August. Supply disruptions and Force Majeure declaration by many of the resin suppliers have made this a real possibility. In addition, we have experienced significant increases in our labor and other operating costs in the last 6 months.

In response to this Sept. 1st increase, we will implement **4-6% increases on all our stretch film related products, **effective Oct. 5th.****

All orders must call for immediate delivery. Based on current lead times and resin availability, we can only accept a limited number of new orders based on past purchases. Wraptite reserves the right to accept or decline all orders for any reason.

Please visit us at **www.wraptite.com or reach out to your sales rep for any questions that you have on the above.**

We appreciate your business and support and look forward to growing together

**Sincerely,
WT Management**
