RE: Tape Products Price Adjustment

Dear Valued Customer:

As you may have experienced, our industry is still dealing with the impact of the Covid-19 pandemic. As a result, Wrap-Tite's tape product suppliers have announced a price increase to go into effect as of June 14th, 2021. This increase is directly related to the rising costs of raw materials and transportation, as well as supply disruptions and heightened demand.

In order to continue with the best possible service, Wrap-Tite will be implementing the following price increases, **effective June 14th**:

TAPE PRODUCT	% INCREASE
Acrylic & Hybrid Carton Sealing Tape	5%
Hot Melt Carton Sealing Tape	10% to 20%
Natural Rubber Carton Sealing Tape	5% to 10%
Water-Activated Tape	5%
Masking, Flatback, Duct & Foil Tape	3%
Filament & Double-Coated Tape	5%

Orders placed prior to the adjustment will be limited to a historical 30 days of supply.

Please visit us at www.wraptite.com or reach out to your Sales Rep with any questions that you may have. We appreciate your business and support and look forward to growing together.

Sincerely,

WT Management
