**Dear Valued Customers,**

We hope this letter finds you well.

Further increases in raw material (PP & Hot Melt Rubber), labor, and freight costs has had a tremendous impact on our tape costs, especially on our hot melt tapes.

**Please be advised that effective Monday, August 2nd, 2021, there will be a 10-15% price increase on all Hot Melt Tapes.**

All orders must be received by 5:00pm EST on Friday July 30th, 2021. Any other order received after that time will be subjected to the above increased pricing. Orders placed prior to the adjustment will be limited to a historical 30 days of supply.

**Please visit us at [www.wraptite.com](http://www.wraptite.com) or reach out to your sales rep for any questions that you have on the above.**

**We appreciate your business and support and look forward to growing together in the future.**

**Sincerely,  
WT Management**
