Dear Valued Customer:

Our resin suppliers have a previously announced increase nominated for May 1st, 2022. Supply issues at the resin manufacturers, heightened demand, and rising logistical costs have solidified this increase.

As a result, Wrap-Tite will enact a **6% increase on all stretch film products effective June 6th.**

Orders placed prior to the adjustment will be limited to a historical 30 days of supply. In addition, all orders must call for immediate delivery.

Due to limited resin supply and growing lead times, there is a limit to the number of orders that can be accepted. Wrap-Tite reserves the right to accept or decline all orders for any reason.

Please visit us at www.wraptite.com or reach out to your Sales Rep with any questions that you may have. We appreciate your business and support and look forward to growing together.

Sincerely,

WT Management
