

Product Data Sheet

2 MIL Hang Hole Re-closable Bags

Effective 01/2017

Product Description:

Wrap Tite, Inc. re-closable bags provide outstanding protection, convenience and economy. The zipper type seal with offset lips closes securely and is easy to open and close time after time. These bags are excellent for storing, displaying, and protecting all types of product. Because they are made only with virgin resin, they meet FDA requirements for contact with food products. (CFR Title 21, Pt. 177.1520)
